

## Directions for collecting & returning SLOG apple press kit

The kit is stored at Tarnside Farm, Crosthwaite, LA8 8BU

From the A590 at Gilpin Bridge, next to PV Dobson's garage, take the A5074 signed to Bowness and Windermere, following it for 5 miles where there is a small single storey white cottage on the left hand side with pretty flower tubs. Turn left up the narrow lane which has a home made sign stating narrow lane following it for about 200 metres with Tarnside Farm on the left.

The left turning off A5074 looking north

The farm entrance left off the narrow lane

As you turn into the farmyard, fork right to the barn (the recess in above photo), don't go left to the house where turning is difficult.

Collection and return must be made between the hours of 9.00-9.30am and 4.30-5.00pm. Please respect these hours since this is a working farm.

Please return the equipment clean and ready for the next person to use. The £20 hire charge can be paid by cash, cheque or BACS transfer to SLOG at 01-04-66 a/c # 33565473, reference "your name" & "press".

Any queries, call Mike Gibson on 015395 68639 or email [mgibson231@btinternet.com](mailto:mgibson231@btinternet.com)
